Requests that orders may be passed that only when general educational qualifications are equal, preference should be given to trained men, the grade of training undergone by them being suitable to the general educational qualifications of the candidates.

(H) 3/2/31 The Dy Director of Public Instruction Shimoga Division, had raised this question of equivalent training qualifications for the several grades of general educational qualifications in connection with the filling up of a vacancy of (No 1552 of 29-3 of Master in the Hadun Dist on a pay of Rs 25/- p.m. This vacancy was filled up by the appointment of a Part graduate ignoring the claims of an S.S.L.C candidate who had passed only M.L.S Training examination. This was objected by Govt (9) ~~Office~~ for the reasons stated by the D.D. but with regard to the general question in the matter raised by him, he was informed that he must address the Director in the first instance.

The Director of Public Instruction has now submitted proposals in the matter for the orders of Government.

No. AI5823-104 of 30-31.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION IN MYSORE,

Bangalore, dated.....October.....*19*30.

25 OCT 1939

FROM

THE DIRECTOR OF PUBLIC INSTRUCTION IN MYSORE,
BANGALORE.

To

The Secretary,
Central Recruitment Board,
BANGALORE

SIR,

I have the honour to state that as per note 2 to rule 10 of the Manual of Recruitment Rules, persons with training qualifications should be given preference over un-trained persons. If this rule is interpretted literally it would mean that an Intermediate candidate with training qualification of the Lower Secondary grade should be given preference over a graduate or a double graduate. Such an interpretation will not only operate greatly to the disadvantage of the institution concerned but also acts as a hardship to persons with higher general educational qualifications. Moreoever, each grade of general education has corresponding grade of training and the latter is adapted to the former. The following statement shows the general educational qualifications required for the several grades of schools and the minimum training qualifications suitable to the general qualification:

Grade of School.	General educational qualification required.	Grade of professional qualification suitable to the general qualification.
1. High and Normal Schools.	1. B.A. or M.A.	1. B.T. or L.T.
2. Middle and Incomplete Middle Schools.	2. S.S.L.C. or Inter.	2. U.G.T. or U.S.T.
3. Primary schools.	3. [illegible] S. or L.S. or M.S.	3. L. S. T.

In these circumstances, I request you to be so good as to move the Central Recruitment Board to modify the above ruling so as to make it clear that only when general educational qualifications are equal should preference be given to trained men, the grade of training undergone being suitable to the general educational qualifications of the candidates.

I have the honour to be,

Sir,

SIR,

With reference to your letter No.4197/C.R.B. dated 26th March 1931, I have the honour to state that the following changes be made in note 2 to rule 10 on page 3 of the Manual of Recruitment:-

Substitute	"Men who have successfully completed the course of training corresponding in grade to their educational qualifications will have preference over untrained men of the same general educational qualifications"
For	"Trained men will have preference over untrained men" in lines 4 and 5 after "communities" and before "irrespective of communities."

Also, the same words for the words "trained men will have preference over those who are untrained" in lines 7 and 8 after the word "communities" and before the word "but".

It will be seen the underlying idea is to avoid the necessity of having to select applicants who may have lower general educational qualifications in preference to candidates who have much higher general educational qualifications, merely because the former have been trained: e.g. as the wording of the rule now stands, a candidate who has only passed the Vernacular Lower Secondary Examination and has also obtained the L.S.T. certificate has to be preferred to a candi-

date

candidate who may have passed the S.SL.C. or the Intermediate Examination, but has undergone no training.

I have the honour to be,

Sir,

Your most obedient servant,

M. S. Subba Rao

Director.
